

A TOUCH DOWN WON GAME

Goddard Defeated Vermont
Seconds, 6 to 0

GAME WAS RATHER SLOW

Wardner Scored the Touchdown After a Punt by the College Boys Had Been Partially Blocked—The Game.

The Goddard seminary foot ball team, in its second game of the season, defeated the university of Vermont seconds on the local campus Saturday afternoon by a score of 6 to 0. Though the Goddard team is still slow in getting off its plays, it showed much improvement in this respect over the first game, and its work all around was better. Their defeat of the heavy visiting team, which was composed mostly of freshmen, was a decided surprise to the downtown crowd, who were expecting that there would be nothing to it but Vermont. Wardner made Goddard's touchdown in the first few minutes of play in the last half, and Boynton kicked the goal. Goddard had kicked off to U. V. M. Boynton booting the ball clear to the goal line, and it was downed on the ten-yard line. After an end rush for a five-yard gain, Vermont attempted to punt but the ball hit one of the Goddard players who had broken through the line and went straight in the air. Goddard secured the ball and with four rushes, by Scampini and Wardner, through the line, had the ball over the goal line.

Several times during the game the visitors got within good striking distance of the goal line, only to be held for downs or to lose the ball on a fumble. On the Vermont team there were three Barre boys, Paul Waterman, Morris White and Carl Waterman, the latter having to retire in the first part of the game on account of an injury to his leg.

REED BIG SCORER.

Barre Boy Made Three Touchdowns for Norwich Saturday.

Northfield, Oct. 12.—Norwich won the first home foot ball game of the season Saturday, defeating Middlebury college, 23 to 0. Middlebury kicked off to Norwich, Reed receiving the ball, and carried it for 63 yards. With a series of forward passes and end runs, they had a touchdown in five minutes, Reed carrying the ball over.

Their next touchdown was made in four minutes; after one or two scrimmage runs Reed took the ball on a fake play and made a 45-yard run for a touchdown. Norwich kicked to Middlebury and received the ball on Norwich's 15-yard line, and with two plays Damon carried the ball over for the third touchdown. Schakowski kicked the three goals.

In the second period Norwich made one touchdown. Middlebury lost her only chance to score in the first half, when Norwich was penalized for holding and the ball was played on Norwich's 15-yard line. They were held for downs and Norwich kicked the ball down the field out of danger. Reed, Light and H. R. Clark were the most effective players of N. U. Stevens and Hunt played a strong game for the visitors.

HARVARD HAS NO WALK-OVER WITH WILLIAMS

Holy Cross Holds Yale to Low Score—Amherst Plays Vermont Tie Game—Lafayette Scores Princeton.

The Harvard-Williams contest Saturday went to Harvard, 10 to 0. Williams was expected to make a strong showing against the crimson and fulfill the prophecy. During the first half Harvard could not cross the Williams line, the only score coming from a goal from placement by Burr. In the second period the Cambridge eleven was forced to work hard to score its solitary touchdown. Yale made a poor showing against Holy Cross. The Worcester team did not show any alarming ability and was unable to gain any ground. Yale, however, made but three touchdowns. Pennsylvania and Princeton had plenty to do. "Penn" barely defeated Lafayette a tie game, 0 to 0. The latter contest was one of the surprises of the day. It was expected that Princeton would make a first-class showing against Lafayette, but results showed many imperfections in the "Tigers" play. Amherst struggled with Vermont without scoring and, considering the strength shown by the latter eleven, Amherst was lucky to get away with a tie game. Wesleyan had a rough-and-tumble match with Union at Schenectady, N. Y., in which 17 players were forced to the side lines on account of hard knocks. West Point found Trinity easy, and Annapolis won handsily from Dickinson. The results follow:

Harvard 10, Williams 0.

SEVENTEEN WERE LAID OUT IN GAME

Wesleyan-Union Foot Ball Contest the Roughest on Record.

Schenectady, N. Y., Oct. 12.—A casualty record for the foot ball season was established here yesterday by the teams of Union and Wesleyan colleges. 17 players being rendered unconscious during the game and five of them so seriously hurt that they were removed to the hospital.

The officials united in saying that the game was the roughest and most hard fought they ever witnessed. In less than 10 minutes after play began both captains—Potter of Union and Hammond of Wesleyan—were carried from the field, Potter with a broken collar bone and Hammond with slight concussion of the brain.

From the instant the ball was kicked off at the beginning of the game, the players contested every inch of ground bitterly. The game had to be stopped time and time again because players were injured or senseless. After nearly every scrimmage someone was found to have been hurt so that he could not arise from the ground.

Professional Runner Beats Hayes' Time by Nearly 18 Minutes.

London, Oct. 12.—The Princess Victoria of Schleswig-Holstein, niece of King Edward, Saturday afternoon started eighty-nine runners in a professional race over the Marathon course from Windsor park to the stadium at Shepherd's Bush.

The race was won by a Frenchman named Siret, who entered the stadium at 5 o'clock exactly, and beat the tape at 5:02. White of Ireland made second place at 5:05. Siret's time for the distance was 2 hours 37 minutes 23 seconds, beating Hayes' time by 17 minutes and 55 seconds.

SECOND GAME FOR CHICAGO

Donovan Went to Pieces in the Eighth

AFTER SPLENDOR WORK

Detroit Was Beaten, 6 to 1, Yesterday in Second Game of the World's Championship Base Ball Series.

Chicago, Ill., Oct. 12.—After eight innings of clock work base ball yesterday, "Wild Bill" Donovan, premier pitcher of the champions of the American league, weakened under the prolonged strain, and the Chicago world's champions captured their second game of the present series, 6 to 1. In that sensational portion of the game, Donovan was hit for a home run, a triple, a double and three singles. Incidentally he walked one man and allowed another to score on a wild pitch. Previously Chicago had secured but one hit. Overall was steady throughout the game, holding the Tigers to four hits and one run. The run marked Detroit's respite in their half of the ninth.

Nothing could have exceeded the excellent of Donovan's work up to the fatal eighth inning. He had speed and an assortment of curves that he mixed up in baffling style, and he cut the corners of the home plate with the greatest decision and speed. He had the best of Chicago batsmen swinging wild, and twice struck out the redoubtable Kling. Not until the sixth did the world's champions connect with his wizard curves. Then the distinction fell to Overall, who, considering the high class of ball he pitched, did not need the added glory.

SATURDAY'S GAME.

Chicago Defeated Detroit, 10 to 6, in a Hard-hitting Game.

Detroit, Oct. 12.—Under the most unfavorable conditions as to weather and playing field, Detroit, the American leaguers, and the Chicago Cubs went to their first battle Saturday in the world's base ball series, and the result was a 10 to 6 victory for the National league champions.

While Detroit lost the game, it accomplished the feat of driving two of the opposing pitchers to the stable. Chicago had done the same thing with one of the Wolverine twirlers. Killian went along all right until the third inning, when the Cubs got to him for a double and three singles and then he was taken out, Summers going to the mound. Summers did well enough until the ninth, when the Chicagoans peppered him for six singles and five runs.

Reulbach went along all right until the seventh, when three singles and a double netted three runs for Detroit. Reulbach retired and Overall went in. Overall hit the first batsman up and was saved only by Schulte's good catch on the next one, two having been retired at this time. He was wild at the opening of the eighth and issued a pass to Crawford. This was the signal for removing Overall, and Brown was put in. A wild pitch, two singles and a wild throw put Detroit in the lead.

The greatest fielding feature of the game was Crawford's wonderful catch of Tinker in the second. Sam getting the ball high over his head, with his back against the ropes. Tinker aided very materially in holding Detroit down, as on two occasions he went back of Steinfeldt, recovered the ball very deep and threw it nerringly to Chance at first, just nipping the runner.

FIRE DESTROYED VALUABLE HOUSE

Loss of \$10,000 Sustained By Charles A. Woolson of Springfield Yesterday—He Will Rebuild.

Springfield, Oct. 12.—The \$10,000 mansion on Maple Dell farm, about one mile from this village, owned by Charles A. Woolson, was destroyed by fire about noon yesterday. Early Sunday morning Mr. Woolson built a fire in the wood furnace, which burned the chimney out. A little before noon, thinking the danger from fire was past, he with his son, Glynn went for a drive. At a little after twelve fire which caught from the chimney on the second floor was discovered by the coachman.

It had gained such headway that furniture was saved only from the first floor. When the fire department arrived from the village all efforts were directed toward keeping the flames from spreading to the large barns containing valuable Hereford stock and the Hackney stallion "Calvin."

The property is well covered by insurance and it is probable that Mr. Woolson will rebuild.

The Red Cross Pharmacy Offers to Cure Catarrh—The Medicine Costs Nothing If They Fail.

When a medicine effects a cure in 98 per cent. of cases, and when we offer that medicine on our own personal guarantee that it will cost the user nothing if it does not cure catarrh, it is only reasonable that people should believe us, or at least put our claim to a practical test when we take all the risk. These are facts which we want the people of Barre to substantiate. We want them to try Rexall Muc-Tone, a medicine prepared from a prescription of a physician whose specialty was catarrh, and who has a record of thirty years of cures to his credit.

We sell more bottles and receive more good reports about Rexall Muc-Tone than we do of all other catarrh remedies sold in our store, and if more people only knew what a thoroughly dependable remedy Rexall Muc-Tone is, it would be the only catarrh medicine we would have any demand for.

Rexall Muc-Tone is quickly absorbed and carried by the blood until it thoroughly disinfects and cleanses the entire mucous membranous tract, destroys and removes the parasites which injure and destroy the mucous tissues, soothes and heals the irritation and soreness, stops the mucous discharge, and builds up strong, healthy tissue, relieves the blood and system of diseased matter, stimulates the mucous cells, aids digestion and improves nutrition until the whole body vibrates with healthy activity. In a comparatively short time there is a most noticeable gain in weight, strength, good color and feeling of buoyancy.

We urge you to try Muc-Tone, beginning a treatment to-day. At any time you are not satisfied, simply come and tell us, and we will quickly return your money without question or quibble. We have Rexall Muc-Tone in two sizes, 50c and \$1.00. Rickert & Wells, the Red Cross Pharmacy, Miles' granite block.

MR. BRYAN IN MISSOURI

A Happy Family on His Train

RECORD OF 26 SPEECHES

At Paris the Candidates Reads a Letter and Makes a Charge of Neglect Against the Department of Justice.

St. Joseph, Mo., Oct. 12.—With a record of 26 speeches delivered during the day, William J. Bryan brought to a close in this city Saturday night his latest tour.

The reception accorded him was a fitting finale to unprecedented demonstrations which marked his progress through this state. Aboard the special train were representatives of the several factions of the Democracy of Missouri, who were outspoken in their determination to actively support the national and state tickets.

These included William S. Coward, nominee for governor; ex-Governor Lon Stephens, David A. Ball, Judge William H. Wallace and H. Stapel, the defeated candidates for the nomination for governor; W. R. Painter, nominee for lieutenant governor; State Chairman Ruben and ex-Governor David Francis, at one time a member of President Cleveland's cabinet.

From the moment of his first utterance until he had concluded his remarks here Mr. Bryan declared that the electoral vote of the state of Missouri was safely Democratic, and he devoted considerable time in urging the people to elect the entire state ticket as well as a legislature which would send to Washington a Democratic senator.

In discussing the trust question he read a communication from the acting attorney-general of the United States, which he interpreted as a direct refusal on the part of the law department of the government to prosecute a corporation for conducting its business in restraint of trade.

DUNCAN DIFFERS FROM GOMPERS.

Refuses to Tell For Whom He Will Vote.

Washington, Oct. 21.—In a letter dated Quincy, Mass., Oct. 9, addressed to Professor Willis Moore, chief of the weather bureau, James Duncan, first vice-president of the American Federation of Labor, says:

"As to announcing how I shall vote I differ both from President Gompers and Vice-President Keefe on the advisability of doing so. I think both are leading statements when given out officially and can have no additional appearance of partisanship or effort at coercing the labor vote. I adhere to my original idea and position that how anyone votes must be a matter of conscience the individual as to the general good."

Professor Moore called at the White House Saturday to show the letter to the president.

Mr. Gompers has already declared himself as a supporter of Bryan, and Vice-President Keefe of the federation

who is president of the Longshoremen's union, has announced he will vote for Taft.

Gov. Johnson Collected Big Fund For Home College.

St. Paul, Oct. 12.—Gov. Johnson Saturday afternoon presented the Minnesota conference of the Swedish Lutheran church for the endowment fund of Gustavus Adolphus college, at St. Peter, his home town, a check for \$42,500 of which \$32,500 was received from Andrew Carnegie and the balance was made up by contributions solicited by Gov. Johnson.

The governor kept the gift a secret until today, and was almost mobbed by ministers and laymen, who rushed upon him with expressions of gratitude.

FOUR KILLED, TWO INJURED.

Wagon Driven in Front of Express Train Near Troy, N. Y.

Troy, N. Y., Oct. 12.—Four persons were killed outright and two were seriously injured at a Boston & Maine railroad crossing two miles south of Schaghticoke, N. Y., early Saturday night.

The Dead.

George Roberts, a farmer of Melrose. Frank Luther, a printer for the Schaghticoke Sun.

Mrs. Frank Luther, his wife, and their two-year-old boy.

The Injured.
James Luther, aged five years.
Alden Luther, aged three years.

The six persons were in a wagon and were driving from Schaghticoke to Melrose to attend a family reunion to be held on Sunday. The vehicle was in charge of Roberts, who was somewhat deaf. At the crossing he apparently neither noticed nor heard an express train coming along at 35 miles an hour, and drove his carriage directly in front of the train. The two injured children are in the Troy hospital and will recover.

The Bending of the Bow.

"You must have had some very narrow escapes from death during your eventful career," I said to the great detective.

"I have had a few," he admitted modestly. "Probably the closest shave I had was when a band of South American outlaws hanged me and went away without noticing that I had strung me up to a rubber tree."—Brooklyn Life.
